-  **Vehicle tracking in real-time**
 - Equipped with 6 axis accelerometer & gyroscope for precise collision detection and accident reconstruction
 - Check vehicle location in real-time
-  **Stolen vehicle tracking & recovery**
 - If your vehicle is stolen, report to our SOC. Upon verification, our SOC will initiate the stolen vehicle recovery process and start tracking in real-time. Our SOC will then coordinate with the police to ensure a swift recovery
-  **Theft compensation guarantee RM6,000**
 - If your stolen vehicle is not recovered within 72 hours, compensation towards new motor insurance premium
-  **Battery-fit solution with 2-wire cable - no wiring with the vehicle**
 - Designed for vehicle tracking without any wiring connection with the vehicle if fitted on the battery
-  **Cabin-fit solution with 3-wire (+15, +30, GND)**
 - 3-wire device can also be fitted via in-cabin to detect ignition status
-  **M2M telco coverage**
 - Inbuilt with SIM chip

-
-  **Automatic Driver Recognition (ADR)**
 - a. Vehicle is driven without Driver Tag?**
 - you get alerted via push notification/email
 - SOC will call your registered number to assist
 - b. ON/OFF Smart Alarm**

You get alerted via push notification/email if

 - your ignition turns ON; or
 - your vehicle gets towed

REMEMBER - press the Driver tag button to set Smart Alarm ON

-
-  **Anti-theft/Wire-free solution**
 - Wire-free self-powered device with 3 telcos roaming SIM (Celcom, Digi, Maxis) for stolen vehicle recovery. It is designed to manage assets that need to be deployed for long periods without external power supply
 -  **Anti-scan/detection**
 - This unit is installed in a covert location and is virtually impossible to detect as the GPS and GSM/GPRS modules remain in a sleep mode most of the time
 -  **Back-up device**
 - This innovative on-demand theft assistance service is a back-up to the main vehicle tracking product, thus increasing the level of security
 -  **Mobile app & Web**
 - Device health check, real-time tracking, last parked location, secure mode smart alarm, ADR, driving score, find my car, speed limit, trip review, safe driving alert, add cars and add drivers
